Seeking ready-to-develop land!

We are a reliable partner for the development of new residential projects and are acquiring new, development-ready land throughout Germany! Don't hesitate to contact us.

BUWOG

Our Acquisition Profile

With 70 years' experience in the residential property sector, BUWOG is a reliable partner – for business partners as well as for politicians, public authorities and the wider community. Through neighbourhood development and new-build projects, we are creating additional housing and complementary residential support services throughout Germany. We are seeking further suitable plots of land across the country that are ready for development for our future projects.

- ① BUWOG Speicherballett, Berlin-Spandau
- ② 52° Nord, Berlin-Grünau
- ③ BUWOG NEUE MITTE SCHÖNEFELD, Schönefeld
- ④ BUWOG REBOOT, Wiesbaden
- ⑤ BUWOG AM NEUEN PARK, Leipzig

Locations

- Focus on desirable residential areas in metropolitan areas with strong infrastructure, including outlying areas with good public transport links

Sites

- Suitability for a new-build residential development that can be realised within 5 years
- Undeveloped plots and sites where site clearance is relatively straightforward
- Purely residential use with a minor commercial component, or sites suitable for conversion with a prompt change of use
- Potential for at least 50 residential units in multi-storey residential buildings

Suitable projects

- Zoning plan for residential use in place (Pure, General or Urban Zone)
- Planning permission under Section 34 of the BauGB (residential) in place
- No zoning plan (FNP: land designated for residential development)

Deal Structure

- Asset-Deal, Share-Deal
- Joint Venture, Forward Deal

Please send your proposal or synopsis, including the location, to: angebote-bmb@buwog.com
